

BIMBADEEN BRANGUS STUD

AUSTRALIA

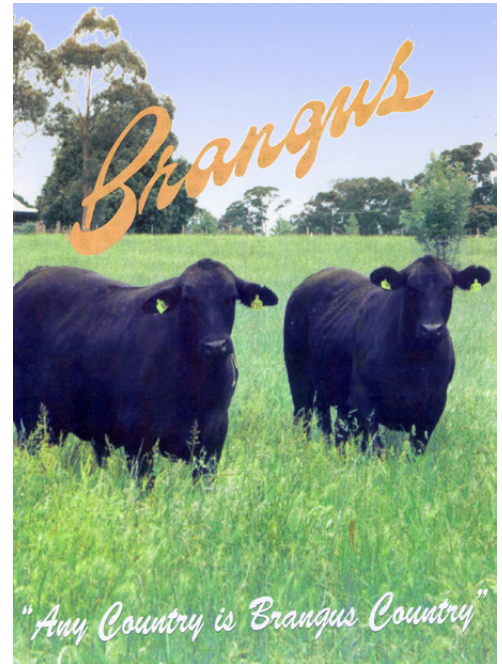

**50 YEARS OF FARMING EXPERIENCE, INNOVATIVE BREEDING
AND PROVEN GENETIC REFINEMENT**

www.bullsemen.com.au

**AN EXCITING OPPORTUNITY TO SOURCE
PERFORMANCE PROVEN BRANGUS SEMEN OF
EXCEPTIONAL PEDIGREE FROM THE HIGHLY RESPECTED
BIMBADEEN BRANGUS STUD, PHILLIP ISLAND**

Bimbadeen Brangus:

- High growth rates
- Enhanced yields
- World wide delivery - subject to protocols
- Meat of documented quality with outstanding tenderness and excellent marbling characteristics (GeneStar DNA Test Scores)
- Superior Estimated Breeding Values (EBVs)
- Genetic selection, combination and refinement of two superior beef breeds: Angus and Brahman
- Outright winners of Domestic, Korean & Japanese Export awards.
- The cattle are certified as being free range and raised without artificial hormones. The meat is graded by Meat Standards Australia (MSA) and sold in selective retail outlets in Melbourne and Victoria as Enviromeat.
